

## Race Officials / Helpers

During some weekends there may not be enough helpers to run an event in which case some of the riders may be asked to not race and assist with the running of the event.

There will be a senior club member who has a commissaries (referee) licence that will be appointed chief commissaire each week. They will have control of the event from sign on time to the completion of the presentation, they will oversee all in this period and can hand out penalties for breach of the Cycling Australia / Cycling NSW and club race rules. There will also be assistant commissaries on the day that can report to the chief commissaire.

To assist in the running of the road races throughout the season, most people will only need to do this a few times during the season. The two main areas we will require help on will be Sign on / Marshaling start line as well as the lead car / finish line or combination of them both which will be decided on the day.

**If you are unable to fulfill the job on the date allocated to you, it is up to you to organise someone to do it for you, If you do organise any swapping please let the Road Coordinator know via email so they are aware of what is happening.**

Please see below for Current Roster

2019 Road Season Roster

Below are some Documents that may help you perform your rostered duty when you are rostered to do so, if you have any questions please feel free to contact a committee member or post a general question on the Dubbo Cycle Club Facebook Page.
