After the Finish

After you cross the line slow down and sit up, move to the left side of the road in single file before making a U turn to go back to the Marshalling / Parking area, check for any vehicles or riders coming from behind and use hand signals to indicate your intention of turning.

Do NOT Recross the Finish Line back onto the course following the end of your event, this may invalidate your time and the rider will not end up with a result.

Once you have arrived back at the Marshalling / Parking area dismount and move off the roads edge, please return your number as soon as possible back to the sign on table.
