## Club Track Bikes

The Club has a number of Track bikes available for hire, to give riders the opportunity to enter the sport without the expense of purchasing a track bike.

The bikes are limited in numbers and are there to support the growth of the club, therefore consideration is given when providing a club bike for a second or subsequent seasons, please do not assume a bike will be available for you if you or your family has used a club bike in the past.

For further information please contact one of our Equipment Officers down at the track on Tuesday or Thursday nights or contact one of the Equipment Officers using the details listed on our the About Us page.
